Re: League of Women Voters of Pennsylvania, et al., v. Commonwealth of Pennsylvania, et al., No. 159 MM 2017: Additional Information re Implementation of Remedial Plan

Dear Justices:

I write on behalf of Respondent Acting Secretary of the Commonwealth Robert Torres to provide further information about the status of the Department of State's compliance with this Court's Opinion and Order dated February 18, 2018.

Earlier this afternoon, just before the deadline for notifying the Court about any technical difficulties with implementation of the Court's Remedial Plan, I filed a letter stating that the Legislative Data Processing Center ("LDPC") had not yet responded to the Department of State's requests for textual language describing the Remedial Plan. Half an hour after that filing, at 4:30 p.m., we received the required textual language from the LDPC. Acting Secretary Torres is now preparing to "file with this Court's Prothonotary a certification of compliance of the preparation of the textual description of the Remedial Plan," as required by the Court's Opinion and Order.

I will keep the Court apprised of any further developments.

Respectfully,

A handwritten signature in black ink, appearing to read "Mark Aronchick". The signature is fluid and cursive, with a large, sweeping flourish at the end.
