1. Plaintiff JAMES WALSH is an adult individual, a resident of Luzerne County, a registered voter in Luzerne County, and candidate for Representative of the 119th Legislative District in the General Assembly, *sui juris*.

2. Defendant Luzerne County, at all times relevant hereto, is and/or was organized and existing under the laws of the Commonwealth of Pennsylvania.

3. Defendant Luzerne County Bureau of Elections, at all times relevant hereto, is and/or was organized and existing under the laws of the Commonwealth of Pennsylvania.

4. Defendant Luzerne County Board of Elections and Registration, at all relevant times hereto, is and/or was organized and existing under the laws of the Commonwealth of Pennsylvania and is and/or was established pursuant to 25 Pa.C.S. § 1203 and Section 8.04 of the Home Rule Charter for Luzerne

County.

5. Defendants Luzerne County, Luzerne County Bureau of Elections, and Luzerne County Board of Elections and Registration are collectively referred to herein as the Luzerne Defendants.

6. Contemporaneously herewith, Plaintiffs have filed a Complaint with the Court, which is fully incorporated herein.

7. Plaintiff's Complaint calls on the Court to address the Defendants' serious failure in complying with Pennsylvania law regarding the processing of voter registration applications and the distribution of mail-in ballots.

8. Initially, Defendants have a pattern and practice of significant and serious misconduct during elections within Luzerne County.

9. By way of background, in September of 2020, a seasonal worker discarded nine completed military absentee ballots into the trash.¹

10. During the 2022 election, paper ballot shortages caused by the Luzerne Defendants resulted in voters being unable to cast ballots, despite the intervention of a judge requiring polling places to remain open for two extra hours.²

11. Most recently, the Luzerne Defendants incorrectly spelled the name of the Republican incumbent candidate for

Representative of the 119th Legislative District in the General Assembly, Alec Ryncavage, requiring the Luzerne Defendants to reprint and re-issue approximately 6,700 mail-in ballots.³

12. However, even the Luzerne Defendants' efforts to correct its mistake as to Alec Ryncavage's name has led to further errors. For example, several voters are reported to have received two replacement ballots instead of one.⁴

13. The instant case concerns the Luzerne Defendants' most basic responsibilities in the run-up to an election: the processing of applications to register to vote and requests for mail-in ballots.

14. It is believed, and therefore averred, that approximately 2,500 individuals residing within Luzerne County submitted an application to register to vote to the Luzerne Defendants pursuant to 25 Pa.C.S. § 1324 (concerning applications to register to vote by mail) prior to the October 21, 2024, deadline for registration relative to the November 2024 election.

15. Pursuant to 25 Pa.C.S. § 1328, Defendants are required to examine voter registration applications upon receipt and process the voter registration applications based upon the results of its examination. 25 Pa.C.S. § 1328(a), (b).

³<https://www.wvia.org/news/local/2024-10-11/luzerne-county-says-it-will-re-issue-6-700-mail-in-ballots-after-ryncavages-name-was-misspelled>

⁴<https://www.timesleader.com/news/1671016/a-few-luzerne-county-mail-voters-report-receipt-of-two-replacement-ballots-instead-of-one>

16. Upon information and belief, despite the requirements of 25 Pa.C.S. § 1328, Defendants are failing and/or refusing to process the approximately 2,500 additional new applications for voter registration, even though such applications were submitted prior to the October 21, 2024, deadline.

17. Pursuant to 25 P.S. § 3150.12b, Defendants are required to process requests for mail-in ballots upon receipt.

18. Further, pursuant to 25 P.S. § 3150.15, Defendants are required to deliver those mail-in ballots to voters within a specified time period.

19. At a public meeting of the Board which occurred on October 23, 2023, the Board, despite request, failed and refused to identify and process or standard by which ballots would be mailed by defendants in order to allow the voters to receive the ballots and return the ballots by the November 5, 2024 8:00 p.m. deadline.

20. Plaintiff, as a resident of Luzerne County, a registered voter, and candidate for Representative of the 119th Legislative District in the General Assembly, has a direct interest in Defendant's performance of its statutory and official duty to process voter registrations and mail-in vote requests relative to the November 2024 election.

21. The need for immediate injunctive relief is urgent because Plaintiff's interest, as well as the interests of the approximately 2,500 individuals who submitted voter registration

applications and thousands of individuals who requested mail-in ballots, are irreparably threatened unless injunctive relief is granted.

22. Without an injunction, Plaintiff will suffer an immediate and irreparable injury.

23. Greater injury will be inflicted upon Plaintiff, as well as the approximately 2,500 individuals who submitted voter registration applications and thousands of individuals who requested mail-in ballots, by the denial of injunctive relief than would be inflicted upon the Defendants by the granting of such relief.

24. A mandatory injunction that compels the Defendants to process the approximately 2,500 voter registration applications in time for the November 2024 election and the thousands of mail-in ballot requests in time for the November 5, 2024 election is in line with the status quo that existed in past elections and is mandated by Pennsylvania law.

25. The activity sought to be enjoined is actionable and the Plaintiff is likely to prevail on the merits.

26. The injunction that Plaintiff seeks is reasonably suited to abate the activity.

27. The issuance of injunctive relief will serve the public interest.

28. Plaintiff has no adequate remedy at law to rectify or prevent this harm.

WHEREFORE, Plaintiff respectfully requests that this Honorable Court enter judgment in favor of Plaintiff and issue an order requiring that:

- 1) the Defendants perform the act or duty required of them under 25 Pa.C.S. § 1328, and process all outstanding applications for voter registration that were received prior to the October 21, 2024, deadline;
- 2) the Defendants perform the act or duty required of them by 25 P.S. § 3150.12b and 25 P.S. § 3150.15 and mail out the mail-in ballots to all remaining voters that have requested them so that they may be returned within the time permitted to mail in mail-in ballots;
- 3) A writ of mandamus be issued against defendants;
4. the defendants take all actions to avoid disenfranchisement of constitutional rights of voters to vote in the November 5, 2024 election;
- 5) such other further relief as deemed necessary and proper by this Court.

COMPLAINT

INTRODUCTION

1. "The Constitution of the United States protects the right of all qualified citizens to vote, in state as well as in federal elections." *Reynolds v. Sims* , 377 U.S. 533, 554 (1964). The right to vote is fundamental, precious, and sacred. See, e.g., *Harper v. Virginia State Bd. of Elections*, 383 U.S. 663, 670 (1966). Voting is a "fundamental right" under the Fourteenth Amendment and it is a right protected by the First Amendment because it secures "opportunities of all voters to express their own political preferences." *Norman v. Reed*, 502 U.S. 279, 288 (1992).

2. Defendants are affecting the right to vote and placed that right to vote in jeopardy because they failed to perform their basic duties under the Pennsylvania Election Code.

3. In that regard, the Defendants have received vote registrations which were timely filed before the October 21, 2024 deadline but those voters have still not been added to voter rolls. The deadline to file registration expired on October 21, 2024 and those voters whose registrations were timely filed must be added to the voter list or they will be denied their right to vote in the November 5, 2024 general election.

4. Additionally, the Defendants have received mail in ballot applications but have not sent out ballots in response. Mail in ballots must be received by the Board of Elections by 8:00 p.m. on November 5, 2024.

5. The Defendants' failure to send out mail in ballots in a proper and timely manner will prevent the voters from being able to have their ballot returned to Defendants before the deadline so that their votes will be counted in the November 5, 2024 general election.

6. Under the Pennsylvania Election Code, Defendants had an affirmative duty to examine voter registration applications and process the voter registration applications based upon the results of the examination. 25 Pa.C.S. §1328.

7. Under the Pennsylvania Election Code, Defendants had an affirmative duty to process mail-in vote requests from registered voters and mail the ballots to voters. 25 P.S. §3150.12b; 25 P.S. §3150.15.

8. Upon information and belief, despite the requirements of 25 Pa.C.S. § 1328, Defendants are failing and/or refusing to process the approximately 2,500 additional new applications for voter registration, even though such applications were submitted prior to the October 21, 2024, deadline.

9. Further, upon information and belief, Defendants are failing and/or refusing to timely process several thousand mail-in vote requests from voters.

10. Plaintiff brings this action to vindicate the statutory and constitutional right being violated by the Defendants and to prevent future violations of those rights to vote by Defendants.

PARTIES, JURISDICTION, AND VENUE

11. Plaintiff, James Walsh, is a qualified and registered voter in the Commonwealth of Pennsylvania who resides in Luzerne County and candidate for Representative of the 119th Legislative District in the General Assembly, sui juris.

12. Defendant County of Luzerne ("Luzerne County") is a county of the third class organized and existing under the laws of the Commonwealth of Pennsylvania.

13. Defendant Luzerne County Board of Elections and Registration (the "Board") is a county board of elections organized under 25 P.S. § 2641 and the Luzerne County Home Rule Charter. The Board is responsible for administering elections in Luzerne County pursuant to the Pennsylvania Election Code and all federal, state, and local laws and regulations.

14. Defendant Luzerne County Bureau of Elections (the "Bureau of Elections") is a bureau of Luzerne County tasked with carrying out the edicts, directives, orders, and decrees of the Board in administering elections in Luzerne County and managing the personnel requirements or requests of the Board.

15. All Defendants are persons who are required to act under Pennsylvania law and also under color of state law to avoid depriving Plaintiff of constitutional rights. 42 U.S.C. § 1983; see *Monell v. Dep't of Soc. Servs. of City of New York*, 436 U.S. 658 (1978); *Ex parte Young*, 209 U.S. 123 (1908).

1324 (concerning applications to register to vote by mail) prior to the October 21, 2024, deadline for registration relative to the November 2024 election.

25. Pursuant to 25 Pa.C.S. § 1328, Defendants are required to examine those voter registration applications and process the voter registration applications based upon the results of its examination.

26. Upon information and belief, despite the requirements of 25 Pa.C.S. § 1328, Defendants are failing and/or refusing to timely process the approximately 2,500 additional new applications for voter registration, even though such applications were submitted prior to the October 21, 2024, deadline.

27. Further, upon information and belief, Defendants are failing and/or refusing to timely process several thousand mail-in vote requests from voters.

28. Plaintiff, as a resident of Luzerne County, a registered voter, and candidate for Representative of the 119th Legislative District in the General Assembly, has a direct interest in Defendant's performance of its statutory and official duty to process voter registrations and mail-in vote requests relative to the November 2024 election.

29. Defendants' official edicts, actions, pronouncements, and long-standing and persistent customs and policies were the moving force behind, and caused, the violation of plaintiff's constitutional rights.

30. The Pennsylvania Election Code and the Luzerne County Home Rule Charter vest the Board with final decision-making authority regarding the administration of elections in Luzerne County. 25 P.S. § 2641(a); Luzerne County Home Rule Charter § 8.04.

31. The Board of Elections is a five-member board and it has final decision-making authority regarding elections in Luzerne County.

32. The Board of Elections is responsible for creating, implementing, and enforcing policies, practices, and procedures to ensure that elections in Luzerne County are conducted according to federal and state election laws and to ensure that voters are not disenfranchised.

33. Pursuant to 25 Pa.C.S. § 1328, Defendants are required to examine those voter registration applications and process the voter registration applications based upon the results of its examination.

34. Pursuant to Pennsylvania law, Defendants are also required to send mail-in ballots to voters that request mail-in ballots in time so that they may be returned in a timely manner.

35. The Bureau of Elections' employees carry out, implement, and enforce the policies, practices, procedures, directives, and duties of the Board.

36. The Board employs the director of elections. The director of elections is responsible for all personnel and employees of the Bureau.

37. The director of elections is responsible for, among other things, planning, directing, coordinating, and controlling overall operations of the Bureau of Elections. The job duties of the director of elections include:

- a. communicating election day activities;
- b. preparing for and conducting primary, general, municipal, school district, and special elections;
- c. monitoring, developing, and implementing national and state election legislation and legal decisions;
- d. planning, directing, and controlling the preparation and conducting of elections in Luzerne County;
- e. preparing ballots;
- f. recruiting and training of election workers;
- g. establishing department policies and procedures; and
- h. maintaining an office manual.

38. The director of elections maintains final decision-making authority within the Bureau of Elections.

39. Defendants made affirmative directives, decisions, or decrees to fail and/or refuse to timely process the approximately 2,500 additional new applications for voter registration, even though such applications were submitted prior to the October 21, 2024, deadline.

40. Defendants made affirmative directives, decisions, or decrees to fail and/or refuse to process several thousand mail-in vote requests from voters.

41. Defendants made affirmative directives, decisions, or decrees as aforesaid caused the violation of Plaintiffs' constitutional rights.

42. Defendants' affirmative directives, decisions, or decrees reflected their deliberate choice not to timely process the approximately 2,500 additional new applications for voter registration, even though such applications were submitted prior to the October 21, 2024, deadline.

43. Defendants' affirmative directives, decisions, or decrees reflected their deliberate choice not to process the several thousand mail-in vote requests from voters.

44. Defendants maintain additional policies and practices that are so wide-spread as to practically have the force of law. Defendants' policies and practices are manifested not only in the affirmative actions and decisions they made regarding the number of ballots, but also in a number of decisions not to take certain actions necessary to administering a fair and effective election.

45. Defendants' policy of inaction, considering the actual or constructive notice that it would cause constitutional violations, is the functional equivalent of a decision by the Defendants' themselves.

46. Defendants acted with deliberate indifference to the rights of Plaintiffs.

47. In sum, Defendants violated the Plaintiff's rights through the following policies and practices which had the effect of policy:

- a. failing and/or refusing to timely process the approximately 2,500 additional new applications for voter registration, even though such applications were submitted prior to the October 21, 2024, deadline.

- b. failing and/or refusing to timely process several thousand mail-in vote requests from voters.

48. Additionally, to the extent that such policies were not the moving force causing Plaintiffs' disenfranchisement, but rather unauthorized conduct by the Defendants that caused the disenfranchisement, then the Defendants are liable for such unauthorized conduct.

(1) If the board is satisfied that the applicant is qualified to receive an official mail-in ballot, the application shall be marked "approved."

(2) The approval decision shall be final and binding, except that challenges may be made only on the grounds that the applicant was not a qualified elector.

(3) Challenges must be made to the county board of elections prior to five o'clock p.m. On the Friday prior to the election : provided, however, that a challenge to an application for a mail-in ballot shall not be permitted on the grounds that the elector used an application for a mail-in ballot instead of an application for an absentee ballot or on the grounds that the elector used an application for an absentee ballot instead of an application for a mail-in ballot.

56. Further, pursuant to 25 P.S. § 3150.15, Defendants are required to deliver those mail-in ballots to voters within a specified time period:

The county board of elections, upon receipt and approval of an application filed by a qualified elector under section 1301-D, shall commence to deliver or mail official mail-in ballots as soon as a ballot is certified and the ballots are available. While any proceeding is pending in a Federal or State court which would affect the contents of any ballot, the county board of elections may await a resolution of that

proceeding but in any event, shall commence to deliver or mail official mail-in ballots not later than the second Tuesday prior to the primary or election.

25 P.S. § 3150.15

57. Upon information and belief, Defendants are intentionally failing and/or refusing to timely process approximately several thousand mail-in vote requests from voters.

58. In fact, at a public meeting of the Board which occurred on October 23, 2023, the Board, despite request, failed and refused to identify and process or standard by which ballots would be mailed by defendants in order to allow the voters to receive the ballots and return the ballots by the November 5, 2024 8:00 p.m. deadline.

59. Plaintiff does not have any other adequate remedy at law.

COUNT III

Violation of the First and Fourteenth Amendments Right to Vote

60. Plaintiffs incorporate the previous paragraphs by reference.

61. "The Constitution of the United States protects the right of all qualified citizens to vote, in state as well as in federal elections." *Reynolds v. Sims*, 377 U.S. 533, 554 (1964).

62. The right to vote cannot be denied outright or where the government imposes substantial burdens on the right to vote. See, *Storer v. Brown*, 415 U.S. 724, 729-730 (1974); *Crawford v. Marion County Election Board*, 553 U.S. 181 (2008).

63. The right to vote is a fundamental right under the substantive Due Process Clause of the Fourteenth Amendment.

64. The right to vote is a right to express one's political preferences in the democracy under the First Amendment.

65. Defendants, acting under the color of state law, are affecting the right to vote and placing that right to vote in jeopardy because they are failing or refusing to perform their basic duties under the Pennsylvania Election Code and under the United States Constitution.

66. Defendants' wholly inadequate actions and election administration policies subject Plaintiffs' access to the ballot to wholly unlawful and improper conduct in violation of the substantive Due Process Clause of the Fourteenth Amendment.

WHEREFORE, Plaintiff respectfully requests that this Honorable Court enter judgment in favor of Plaintiff and issue an order requiring that:

- 1) the Defendants perform the act or duty required of them under 25 Pa.C.S. § 1328, and process all outstanding applications for voter registration that were received prior to the October 21, 2024, deadline;
- 2) the Defendants perform the act or duty required of them by 25 P.S. § 3150.12b and 25 P.S. § 3150.15 and mail out the mail-in ballots to all remaining voters that have requested them so that they may be returned within the time permitted to mail in mail-in ballots;
- 3) A writ of mandamus be issued against defendants;
4. the defendants take all actions to avoid disenfranchisement of constitutional rights of voters to vote in the November 5, 2024 election;
- 5) such other further relief as deemed necessary and proper by this Court.
