**AFFIDAVIT OF PROBABLE CAUSE**Docket Number
(Issuing Authority):Police Incident
Number: PA2025-437604Warrant Control
Number:**PROBABLE CAUSE BELIEF IS BASED UPON THE FOLLOWING FACTS AND CIRCUMSTANCES:**

Your affiant, Trooper Michael GRAGG, is a member of the Pennsylvania State Police Harrisburg Criminal Investigation Unit. I, Trooper Michael J. GRAGG, Pennsylvania State Police, have been employed as a State Trooper in the Commonwealth of Pennsylvania since January 2020. Prior to my current position, I was a local law enforcement officer in the Commonwealth of Pennsylvania from 2017 up until I began employment with the Pennsylvania State Police. I am currently assigned to the Criminal Investigation Unit, Troop H/Harrisburg. During my employment as a law enforcement officer, I have investigated numerous types of crimes including thefts, assaults, sexual assaults, burglaries, homicides, drug possession, child abuse and sexual abuse against children's cases. I have also attended numerous trainings to include basic criminal investigation, basic homicide investigation, advanced homicide investigation and child abuse death investigation, amongst several others. All of the information contained herein was gained through information relayed to your affiant by fellow law enforcement officers, and through your affiant's investigation itself.

On 04/13/25, the Pennsylvania State Police were advised of a fire that occurred at the Governor's Residence located at 2035 North Front Street, Dauphin County, PA. This address falls within the jurisdiction of the Pennsylvania State Police. Upon arrival, it was learned that numerous security cameras captured footage depicting an individual forcing entry into the residence and intentionally igniting the fire. Further, it was learned that Governor Joshua SHAPIRO and First Lady Lori SHAPIRO were inside the residence at the time as well as additional guests and staff members.

Video footage was obtained from security cameras positioned both within and outside the residence. Upon review of the footage the defendant, later identified as Cody BALMER, was observed climbing over an exterior perimeter fence, which parallels Gelger Street. The defendant was observed wearing a black "Snap-On" jacket, black boots, and carrying a bag. The defendant approached the piano room windows on the south side of the Governor's Residence and proceeded to break an exterior window. The defendant then threw an incendiary device into the residence through the broken window. After throwing the device, flames were observed on the interior of the residence. The defendant then moved to an adjacent window and again, broke the glass. The defendant proceeded through the broken window and entered the residence. Once inside, the defendant deployed a second incendiary device in the dining room, resulting in additional areas of the residence catching fire. After throwing the second incendiary device, the defendant approached the dining room exit. Upon reviewing video footage captured by a surveillance camera at this location it became apparent that the defendant was wearing two different colored gloves, one orange and one yellow. The defendant kicked the dining room door open and exited the residence. The defendant was observed leaving the property toward the same direction he had entered, and by climbing over the perimeter fence along Gelger St. The defendant was finally observed running through a parking lot and away from the Governor's Residence in a southeast direction.

I, THE AFFIANT, BEING DULY SWORN ACCORDING TO LAW, DEPOSE AND SAY THAT THE FACTS SET FORTH IN THE AFFIDAVIT ARE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE, INFORMATION AND BELIEF. I certify that this filing complies with the provisions of the Case Records Public Access Policy of the Unified Judicial System of Pennsylvania that require filing confidential information and documents differently than non-confidential information and documents.

AFFIDAVIT OF PROBABLE CAUSE CONTINUATION

As part of the subsequent investigation, investigators performed a search of the Governor's Residence for evidence associated with this incident. Significant fire damage was observed throughout both the piano room and dining room. Additionally, two broken glass bottles were found in the dining room, both of which were identified members of the Pennsylvania State Police Fire Marshal Unit as Heineken beer bottles containing gasoline. Additionally, investigators performed a canvass of the area surrounding the Governor's Residence. By way of collecting a number of videos captured by privately-owned security cameras, members identified the path taken by the defendant after fleeing the residence. More specifically, the defendant was observed traveling east on Pepper St. As a result, members conducted a sweep of Pepper St. and located two gloves, matching those worn by the defendant as depicted in surveillance footage, were located in a trash receptacle. The gloves were seized and described as having a strong smell of gasoline emanating from them.

During this investigation, PSP Harrisburg was contacted by a female who advised that her ex-paramour, Cody BALMER (DOB:03/23/1987) was the individual responsible for setting the fire at the Governor's Residence. When asked why this individual believed BALMER set the fire, this individual related BALMER confessed to the act and wanted her to call police to turn him in. A short time later a member of the Pennsylvania State Police was approached outside Department Headquarters, located on Elmerton Avenue, by a male identified as Cody BALMER. BALMER informed the Trooper he was responsible for the fire in the governor's residence, and wished to turn himself in. BALMER was then transported to PSP-Harrisburg where he was interviewed in relation to this investigation.

Prior to interviewing BALMER, he was advised of Miranda Warnings. BALMER advised that he understood his rights and agreed to speak with Troopers. During this interview, BALMER admitted to harboring hatred towards Governor SHAPIRO. He advised on the date in question he removed gasoline from a lawn mower and poured it into Heineken Bottles he found at his residence. BALMER advised he walked for approximately one hour from his residence to the Governor's Residence with the intention of throwing his homemade Molotov cocktails into the residence. BALMER admitted that, once at the residence, he scaled the perimeter fence, broke two windows with a hammer, and threw the Molotov cocktails inside. BALMER also advised that prior to committing these acts, he was aware his actions would result in negative consequences. When asked if he was aware that Governor SHAPIRO and others were home at the time of this act, BALMER advised that he was aware this was a possibility. BALMER also admitted that he knew it was a possibility people could be injured by his actions. BALMER was asked specifically what he would have done if Governor SHAPIRO found him inside of his residence to which he advised he would have beaten him with his hammer. BALMER also advised that after leaving the Governor's Residence, he returned to his residence where he removed his clothing worn during the commission of these acts. As a result, Troopers responded to BALMER's residence and seized a "Snap-On" Jacket, black bag, and a small sledgehammer which were identical to those observed in the surveillance at the Governor's Residence. At the conclusion of this interview, BALMER was processed and transported to Dauphin County Prison for arraignment.

A call log provided by Dauphin County 911 after the fact showed that BALMER made contact with them on 04/13/25 at approximately 0250 hours via 17173157247. During this phone call, BALMER identified himself by name and related that Governor Josh SHAPIRO needs to know that he "...will not take part in his plans for what he wants to do to the Palestinian people." BALMER continues saying he needs to stop having my friends killed, and "...our people have been put through too much by that monster." Furthermore, BALMER states "all he has is a banquet hall to clean up." Prior to ending this phone call, BALMER advised "you all know where to find me. I'm not hiding, and I will confess to everything that I had done." Through prior contact with BALMER, BALMER expressed face-to-face that he had placed this call to Dauphin County 911, and advised verbally that the number he used was 7173157247. This demonstrates BALMER's political motivation for his conduct.
