

# Courtroom to Classroom Social Media Activity

Grades 6-12

The Supreme Court of Pennsylvania Historical Commission is excited to announce a statewide series of student contests designed to spark curiosity, creativity, and deeper understanding of the judicial branch of government. This initiative invites students to explore the work, role, and impact of the courts through a variety of fun and educational activities. Let's celebrate our courts and the rule of law — and inspire the next generation of informed citizens and leaders!

Students are invited to create a dynamic social media campaign to educate about the judicial branch using engaging posts and/or videos. Develop a hashtag and get creative!

**SUBMISSIONS ACCEPTED ON A  
ROLLING BASIS**
