PETITION TO SET ASIDE NOMINATION PETITION

AND NOW, comes the Petitioners, Carmen Pace, Jack Alto, Sam Wasserman, Sylvia Wilson, Emily Wolfe and Janice Wedell, by and through his attorney, Charles A. Pascal, Jr., Esquire, and, pursuant to the Pennsylvania Election Code at **25 P.S. § 2937**, files this Petition to Set Aside Nomination Petition, and represents as follows:

1. Petitioners are adult individuals and registered Democratic electors residing within the 12th Congressional District, as follows:

- a. Carmen Pace, 913 Cherokee Street, Pittsburgh, PA 15219
- b. Jack Alto, 3610 Denny Street, Pittsburgh, PA 15219
- c. Sam Wasserman, 335 N. Aiken Ave., Pittsburgh, PA 15206
- d. Sylvia C. Wilson, 6369 Meadow Street, Pittsburgh, PA 15206
- e. Emily Wolfe, 215 Ella Street, Apt. 3, Pittsburgh, PA 15224
- f. Janice Wedell, 4700 Ellsworth Ave., Apt. 16, Pittsburgh, PA 15213

2. Respondent William Parker, is an adult individual residing at 4819 Centre Avenue, Apt. 329, Pittsburgh, Pennsylvania 15206.

3. Respondent Parker timely filed a nomination petition for the Democratic Nomination for Representative in Congress for the 12th District, on or before March 10, 2026.

4. In order to secure a position on the ballot for Representative Congress as a candidate for the Democratic nomination, one thousand (1000) signatures of registered Democratic electors within the 12th Congressional District are required on the nomination petition. 25 P.S. § 2872.1(12)

5. Respondent filed nomination petitions totaling 158 pages, containing 3,290 signature lines, attached hereto as **Exhibit A**.

6. Petitioner challenges 2,391 individual signature lines, not including global challenges as further detailed herein.

7. This Court has jurisdiction to hear this Petition pursuant to 42 Pa.C.S. § 764.

I. Individual Signature Challenges

8. Petitioners aver that Parker's nomination petition does not contain sufficient valid signatures from Democratic electors within the 12th Congressional District.

9. The page and line numbers and bases of objection to each signature individually challenged are detailed on the attached spreadsheet (**Exhibit B**).

10. Spreadsheet columns include the following grounds for individual signature challenges:

NR -	Not Registered
NRA-	Not Registered at Address
NRCP-	Not Registered as Dem
NRD-	Not Registered in District
OC-	Out of County
ILL-	Illegible
LIO-	Line Information Omitted
DUP-	Duplicate
IHA-	Line Info in Hand of Another
N/I-	Nickname/Initial
PRI-	Printed Signature
DCS-	Defective Circulator Statement
SAC-	Signed After Circulator Statement Dated
Other-	Other Ground Not Listed Above

II. Global challenges

11. In addition to the individual line challenges referenced above, the following pages and/or lines are challenged globally:

a. Pages 3, 4, 11, 23, and 24 were circulated by Elysse Louis, who was a registered elector of the Green Party until March 2, 2026, at which time she became registered in the Democratic Party, and these pages contain signatures which were collected prior to that date.

b. Pages 42, 44, 46, 51, and 56 were circulated by Jaunae Pollard, who is not a registered Democratic elector.

c. The circulator of pages 128, 129, 130 and 131 is not a registered elector at the address on the circulator statement, and it is averred is not a registered Democratic elector. In the alternative, the circulator affidavit is defective because it contains more than one circulator.

d. The circulator of pages 27, 28, 34, and 35 is not a registered elector at the address on the circulator statement.

e. The circulator of page 114 is not a registered elector at the address on the circulator statement, and it is averred is not a registered Democratic elector.

f. Pages 6, 45, 50 and 53 are Westmoreland County petitions as delineated in the preamble, but which are wholly signed by Allegheny County electors.

g. Pages 93 and 94 contain a defective circulator statement because the signature of the purported circulator was not signed by the circulator (IHA).

12. For the reasons stated, Petitioners aver that the entirety of these petitions should be invalid, and all signatures on these pages stricken, as they contain false circulator statements; inter alia, that the circulator is a registered member of the party of the petition, that the

circulator's residence is correctly stated, and that the signers are residents of the county specified in the petition.

III. Costs

13. Petitioner respectfully asks this Court to assess costs of this proceeding against the Respondent.

WHEREFORE, Petitioner respectfully requests that this Honorable Court find that the Nomination Petition submitted by William Parker does not contain a sufficient number of valid signatures as required by law, grant the Petition to Set Aside and strike him from the ballot, award costs against Respondent, and grant such further relief as the Court deems necessary and appropriate.

Respectfully submitted,

/s/ Charles A. Pascal, Jr.

[1] found on bottom right side of Side 1 & upper right side of Side 2

[2] NR (Not Registered): Not a registered

[3] NRA (Not Registered at Address): If they are registered to vote at a different address, even if that address is in the district, mark NRA

[4] NR (Not Registered): Not a registered Democratic voter

[5] NRD (Not Registered in the District): If the address is out of the PA-12 district, regardless if they are registered or not, NRD

[6] Out of the County

Reserve this if they are registered to vote at the address they listed, but they are signing the wrong sheet for the county they live in. I.E., a registered Westmoreland County voter signs an Allegheny petition

[7] Ill (Illegible): If you cannot determine the name or address, therefore we cannot confirm if they are registered at their given address, mark Ill. Make a very real effort at trying any combination of information you do have before you mark Ill.

[8] LIO (Line Information Omitted): If any line is missing - if the name is printed twice with no signature, no street address, no boro/city/twnship - mark LIO

[9] DUP (Duplicate): Only use if this person previously signed another Parker sheet or we know they signed a Summer sheet prior to the date they signed the Parker petition

[10] IHA (Line information in the Hand of Another): Important caveat - IHA is for ANY line where even part of the line was written by someone else. So if at a house hold, one person writes in the address for all signers, do IHA. Or if the whole line is forged, IHA

[11] nickname or initials

[12] PRI (Printed Signature) if the name is printed twice instead of signed or printed in the signature field

[13] Defective Circulator Statement

[14] Other: Since there is no line about objections to a petitioner, put all other objections here - if the petitioner didn't sign the page, etc. Other's must be explained in the next column with notes.
