ORDER

PER CURIAM

AND NOW, this 29th day of September, 2026, the Petition for Allowance of Appeal is **GRANTED**. The issue, rephrased for clarity, is:

> Whether the Superior Court misapplied its standard of review or otherwise erred in reversing the trial court's order granting Petitioners' motion under 42 Pa.C.S. § 5322(e) for dismissal based upon *forum non conveniens*?
